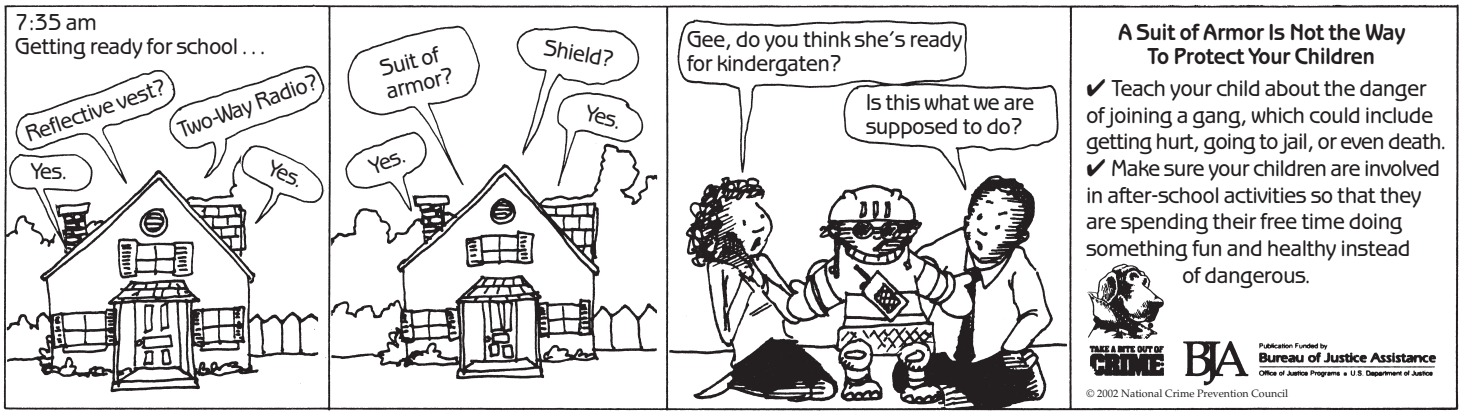
McGruff® 'Toons: Tips for Parents



A Suit of Armor Is Not the Way To Protect Your Children

✔ Teach your child about the danger of joining a gang, which could include getting hurt, going to jail, or even death.

✔ Make sure your children are involved in after-school activities so that they are spending their free time doing something fun and healthy instead of dangerous.

Consejos de McGruff® para los padres

Una armadura no es el camino para proteger a sus hijos

✔ Enseñe a sus hijos sobre el peligro de formar parte de una pandilla, que implica lastimarse, ir a la carcel, o hasta la muerte.

✔ Asegúrese que sus hijos participen en actividades despúes de la escuela, de manera que utilicen su tiempo libre haciendo cosas divertidas y saludables en lugar de peligrosas.
