iPHONE COVERS

Pattern Case is a premium quality, silky silicone case with a slim fit design. Its colorful and fashionable pattern design gives a lively and exciting look to your iPhone.

- Silky silicone feeling
- Premium-quality silicone keeps its shape over time
- Tight and slim fit design, gives protection and minimum bulkiness

WIDEBANDS

3/4” wide bands are a very popular alternative to standard size silicone wristbands. The extra width gives you more space for your custom message or logo, making it more eye-catching and bold.

SILICONE WATCHES

These silicone watches have a distinctly modern appeal with their boxy design and bold solid colours. The band of each watch is made from a soft silicone material.

SILLY BANDS

Kids everywhere are going wild over Silly Bandz. These colorful Silly Bandz are made of silicone and die molded in many different fun shapes.
